

Dear Mr./Ms. [Recipient's Name],

I would like to request your approval to cover the costs of my training within the Sales Club Academy. I believe that this educational program will significantly improve my professional performance, contribute to higher efficiency within our team, and enable us to generate more revenue for our company.

Sales Club Academy is a training platform focused on sales skills. It consists of 14 modules delivered through 70 hours of video content, led by established entrepreneurs, founders of private businesses, and other experts in the field.

At your discretion, I can enroll in a specific module; however, I am convinced that the full program would be far more beneficial. I am confident that my personal development as a professional will also contribute to the growth of our company.

Thank you for your time and consideration.

Sincerely,

[Your Name]
